Going forward, can you make a 311 request for homeless encampments with photos included. Send me the SR # when completed. Please include description in 311 request.

I will announce that this is the new process going forward at staff meeting.

Homeless young black female near her home. Has been offered services and has refused them. Has trash and encampment.
-CAN YOU TAKE PHOTOS AND I WILL FORWARD TO HOPE TEAM

Diesel trucks parking along foothill between paxton and arroyo. Taking up an entire lane when park makes it a public safety hazard. DOT needs to be called to enforce.

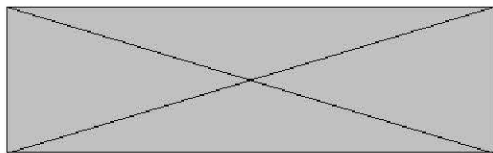

Homeless encampment on arroyo between foothill and dronfield. Public safety for children who walk to school.

Happy New Years, hope you enjoyed given that she did not call you or speak with you.

-I didn't inform to call dot or report encampment through 311 since it sounded like she calls you for everything and doesn't call on her own.
Don't know if you have told her she can report to 311 and DOT.
